Prior to the commencement of the meeting, Mr. Alexander Kasenzi led the house in prayer thereafter, the National Anthem was sang.

Item 01: Opening Remarks:

Council Secretary

The Council Secretary welcomed all members and reminded them that the purpose of the meeting was to identify two (2) priority Capital projects which were in line with the Zambia Devolution Support Programme to be implemented in 2024. He further thanked all stakeholders for attending the meeting.

District Commissioner

In his remarks, the District Commissioner thanked all members for turning up in good numbers. He urged all to be object as they were handling a very important task in order to bring significant change to the district.

Council chairperson

In his remarks, the Chairperson emphasized on the need for water reticulation system in the district. He said members should take advantage of the meeting to identify projects which would add value to the district.

Item 02: IDENTIFICATION OF PROJECTS

After a further deliberations, members proposed two major projects under the programme as below:

1. Procurement of water reticulation equipment with a proposed amount of **One Million Seven Hundred thousand Kwacha**
2. Construction of Water reticulation system with a proposed amount of **Two Million Kwacha.**

Reasons for choosing the two projects

- To alleviate the water challenge being first in all the wards.
- To improve on the quality of water supplied to the population in the district
- To ensure ease access of water points by livestock and the people within the district.

Closing Remarks

The District Commissioner thanked all for their fruitful contributions and further Council Chairperson thanked

Having no other business to discuss, the meeting closed at 14:15 hours after a prayer by Mr. Alexander Kasenzi and the National anthem.
